Kiewit Infrastructure Co. is the Construction Manager for the Connecticut State Pier Infrastructure Improvement Project. In support of the objectives of the Connecticut Port Authority, we are committed to engaging the local community by providing access to information and opportunities.

Kiewit is currently seeking participation by firms interested in opportunities on the Project.

We are hosting MULTIPLE information sessions where members from our project team will provide details about specific scopes of work associated with the project.

PLEASE JOIN US TO LEARN ABOUT THE FOLLOWING UPCOMING BID OPPORTUNITIES

- Janitorial (re-bid)
- Site Civil
- Temporary & Permanent Fencing
- Northeast Bulkhead Combi Wall
- Northeast Bulkhead Relieving Platform
- Rebar Supply & Installation
- Installation Berth & South Wall Combi Wall
- Installation Berth Relieving Platform

Small, local and diverse firms are highly encouraged to attend. Diversity goals, certification requirements, and State of Connecticut registration and pre-approval requirements will be discussed.

Contractors performing work on this project will be required to sign a Project Specific Labor Agreement.

This contract is subject to set-aside and contract compliance requirements.

FUTURE EVENT DATES:
